**About the Organization**

Azim Premji University is a not-for-profit, private autonomous university established under the Azim Premji University Act 2010 of the Karnataka Legislature in India. The mission of Azim Premji University is to create outstanding and effective programmes of learning, research and advocacy in education, development and allied fields like health, nutrition, and livelihood. The university aims at facilitating systemic change in education and allied development areas by conducting extensive research, developing new talent, and creating domain knowledge.

The university offers post-graduate courses in Education, Development and Policy and Governance (M.A. in Education, M.A. in Development, M.A in Public Policy and Governance). The University also offers undergraduate programme leading to a degree in Bachelor of Arts (B.A.) or Bachelor of Science (B.Sc.). Specializations will be offered in the Humanities (combined History, Literature and Philosophy), Sciences (Physics, Biology) and Economics.

More details about the University can be obtained on the link mentioned below
